Profile

I am a second year university student in Ontario Tech University (UOIT) currently studying Computer Science. I love working on projects when I'm free, solving problems and learning new things. I'm intrigued by a lot of things, and I'll pursue the answer to it. I also really enjoy reading books, and playing chess in my free time.

Education

United Christian College Kowloon East

UCCKE 📄

Maintained a 3.5 GPA

Unionville High School

UHS 📄

Averaged a 95 in both Math-Related subjects and computer science.

Bachelors of Computer Science

Ontario Tech University 📄

First Year Grade: 3.78 GPA

Projects

Powered Up Challenge (Robot In 3 Days) 📄

FRC

Project was developed in three days during Robot in 3 days. Utilizing the WPILib framework to create the robot code for the Trident robot for OTU.
